Pre-Surgical Planning instructions

If your surgery is scheduled at Tinley Woods Surgery Center it is your responsibility to pre-register online or call the facility to register as soon as you have received your surgery date.

Your surgery date and time will be verified by the Surgical Facility. You will be contacted by phone and/or e-mail prior to the scheduled surgery.

If having Anesthesia you will not be permitted to eat or drink anything 8 hours prior to start time.

It is your responsibility to:

- Obtain a completed History & Physical release form from your Primary Care Physician **within 30 days of surgery**. This form must be returned to our office *no later than 7 days prior to the date of surgery*. You can have the form faxed to our office at 708-425-6155.
- If ordered, Lab work must be completed within 30 days of the surgery. Please have this faxed to our office at 708-425-6155.
- If ordered, EKG must be completed within 90 days of the surgery date. All Pre-Operative testing results should be faxed to our office no later than 7 days prior to surgery. Please have this faxed to our office at 708-425-6155.
- Obtain any post-op products recommended by Dr. DeVito i.e. shower bag, compression socks or self grip/coban tape
- If you have an **HMO** or **Managed Care Insurance plan**, it is ***your*** responsibility to obtain a **Referral** from your Primary Care Physician prior to surgery.
